# Benefits and Features of the Keypad Editor for Crestron® Keypads

**Works with Crestron® Cameo, Horizon, and GLPP**

*showrunnerHUB™ Keypad Editor only works with GLPPA-KP and GLPPA-KP-SCENE. GLPPA-KP1-4 are not configurable and will only work on local logic

## Edit and Adapt Keypad Styles without Programming

1. **Select keypad style by clicking or tapping a drop down list with keypad image**
2. **Images of all keypad styles included for reference**
3. **Set keypad actions by clicking or tapping**
4. **Create keypad templates for repeated use**
5. **Change or edit keypad styles/actions by clicking/tapping**

***Works with Zūm Keypads***

*Wireless buttons 5 and 6 are not configurable at this time
